Dear Torana Enthusiast,

Thank you for dropping by our website. Hopefully it has got you interested in joining the Queensland Torana Car Club (QTCC). The following is to tell you a bit about our club and how we operate.

QTCC was formed in 1995 and since then, has steadily grown to a member base of about 50 active members from locations throughout Queensland and even some within New South Wales.

With membership in the QTCC, we can offer you friendship and interaction with people who share a common interest in the Torana. It doesn't really matter what stage your car is at, whether it is daily driven in stock condition, the fastest race car or the shiniest show car from HB to UC. Everyone is welcome to join; singles, couples and families with kids, even if you do not own a Torana. You just have to like them to be part of the club.

The QTCC is run by its members, for its members thereby ensuring that all experience fun and enjoyment. We also encourage you to have your say, so don't be afraid to speak up with any ideas or opinions you may have, we greatly welcome feedback. We like to think we are easily approachable people. On saying that, the committee members do volunteer their time between work and other commitments, so we can at times be a tad slow in our actions, so please forgive us, we promise not to forget about you!

The Club is a very active social group and many of its members are very knowledgeable and experienced on different models of Torana's and can provide information and sometimes even a helping hand on any aspects of your rebuild, modification or general maintenance of your Torana. In addition, members of the QTCC can be offered discounts from various service providers, possibly saving you many dollars. Now who wouldn't want that?

Social events included BBQ's, navigation, mystery and normal runs. As well as camping, bowling, trips a way, Drive-In movies, interaction with other clubs and of course CRUZIN!

Still interested? If so, then complete the following "Membership Application Form" and the "Members Information Form", please don't forget to send the photos. You can either mail the forms back to us or bring them along to a meeting or run and give them to the Membership officer or a committee member for processing. Payment can be made a number of ways, cash (in person, please don't post), cheque, money order or by direct debit via the Internet. All details are laid out in the Payment options of the application form.
